ACADIA Student Scholarship GUIDELINES & APPLICATION
2012 ACADIA Conference / San Francisco
The 2012 ACADIA Conference welcomes applications for Student Scholarships. Please read the instructions and scholarship information before completing the application.

1. About the Student Scholarships

The ACADIA Student Scholarship program was created to support students and recent graduates whose Full Paper, Work-in-Progress Paper or Project Submission have been accepted. A total of $5000 will be divided and awarded to multiple recipients at the discretion of the ACADIA Scholarship Committee consisting of ACADIA Board Members and the Conference Chairs. **The purpose of the scholarship is to support individuals who will attend the conference.**

2. Application Requirements

The funds must be used for the following expenses: airfare to the conference, accommodations, registration, and ground transportation. Only one scholarship will be awarded per paper or project submission. If a paper or project has been co-authored it will be the responsibility of the co-authors to distribute the funds within the group. In all cases funds should be distributed only to the author(s) attending the conference. Funds not used to attend the conference must be returned to ACADIA.

3. Dates

The completed application should be sent as a single PDF document via email to
acadia.conf.2012@gmail.com **by 12pm (midnight) on July 1st, 2012 (PT)**.

Awards will be announced by July 10, 2012. Awardees will be informed by email and will be asked to accept the grant formally and to verify their attendance at the conference at that time. All applicants will be notified of the decision on their proposal, but detailed evaluation information will not be available. Scholarship funds will be dispersed in USD shortly after the announcement.

4. Evaluation Criteria

Evaluation of the proposals would be based on:
- financial need
· the quality and appropriateness of the application
· potential to significantly contribute to the organization in the future

5. Institutional Support

Since the Scholarship is intended to be a supplement to other travel funds and not a replacement, a supporting contribution from the applicant's home institution or other funding source is highly suggested.

6. **Questions**

Student Scholarship questions should be directed to: *acadia.conf.2012@gmail.com*
